## Rates of Postage and Conditions of Transmission.

### LETTERS—(Inland).

For a letter not above 1 oz. .... 1d.

Do. above 1 oz., but not above 2 oz. .... 1½d.

Do. do. 2 oz., do. 4 oz. .... 2d.

And so on by ½d. for every additional 2 oz.

A letter posted unpaid is chargeable on delivery with double postage; if insufficiently paid, with double the deficiency.

No letter may exceed 18 inches in length, 9 in width, or 6 in depth, unless be sent to or from a Government office.

RE-DIRECTION—(*Inland*).

No charge is made for the re-direction of letters (including registered letters) whether re-directed by an officer of the Post Office or by an agent of the addressee after delivery, provided in the latter case that the letters are re-posted not later than the day (Sundays and public holidays not being counted) after delivery, and that they do not appear to have been opened.

*Re-directed* letters which are re-posted later than the day after delivery will be liable to charge at the prepaid rate; any which appear to have been opened will be charged as freshly posted unpaid letters.

NEWSPAPERS—(*Inland*).

*Newspapers*.—For each Newspaper..... $\frac{1}{2}$ d.

To have the privilege of passing through the Post as a newspaper, the publication must first have been accepted as a newspaper by the Postmaster-General, and have been placed on a register at the General Post-Office, from which it is liable to be removed, either through the non-renewal of the registration fee, 5s., year by year, or in consequence of any change which may deprive it of the characteristics of a newspaper.

For each inland registered newspaper, whether posted singly or in a packet, the postage, when prepaid, is one halfpenny; but a packet containing two or more registered newspapers is not chargeable with a higher rate of postage than would be chargeable on a book packet of the same weight, viz., one halfpenny for every 2 oz., or fraction of 2 oz.

A newspaper, or a packet of newspapers, posted unpaid is chargeable with double postage, if insufficiently prepaid, with double the deficiency.

The postage must be prepaid either by an adhesive stamp or by the use of a stamped wrapper.

Every newspaper must be posted either without a cover, or in a cover entirely open at both ends, so as to admit of easy removal for examination. If this rule be infringed, the newspaper is treated as a letter.

Every newspaper must be so folded as to admit of the title being readily seen.

A newspaper, or a packet of newspapers, which contains any inclosure (except supplements) is charged as a letter; unless the inclosure be such as might be sent at the book rate of postage, and the entire packet be sufficiently prepaid as a book packet, in which case it is allowed to pass.

A newspaper which has any letter, or any communication of the nature of a letter, written in it or upon its cover, will be charged as an unpaid or insufficiently paid letter.

No packet of newspapers may be above 14lbs. in weight, two feet in length, one foot in width, or one in depth.

BOOK PACKETS—(*Inland*).

The Postage is one halfpenny for every 2 oz. or part of that weight.

A packet posted wholly unpaid is charged with double the book postage, and if posted partially prepaid, with double the deficiency.

Every book packet must either have no cover, or a cover entirely open at both ends, so as to admit of the contents being easily withdrawn for examination. It may contain any number of separate books or other publications, prints, or maps, and any quantity of paper, parchment, or vellum, either printed or written, or any mixture of the these; together with whatever is necessary for the safe transmission of literary matter, or usually appertains thereto, to the exclusion of letters or any enclosure sealed or otherwise closed against inspection, or any communication of the nature of a letter written in any such packet, or on its cover. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.

CIRCULARS, *i.e.*, letters which are intended for transmission in identical terms to several persons, and the whole or the greater part of which is printed, engraved, or lithographed, may also be sent by book post. Productions of the typewriter or imitations thereof, are not admissible as circular letters, unless they are posted by being handed in at the counter of some Head Post

Office, or Branch Post Office, that special attention is called to their nature, and that at least *twenty copies* in precisely identical terms are posted at same time.

No book packet may be above 5 lbs. in weight, 18 inches in length, 9 inches in width, or 6 inches in depth, unless it be sent to or from a Government office.

#### SAMPLE PACKETS—(*Inland*).

|                                                 |      |
|-------------------------------------------------|------|
| For a packet not exceeding 4 oz. in weight..... | 1d.  |
| Do. Do. 6 oz. Do. ....                          | 1½d. |
| Do. Do. 8 oz. Do. ....                          | 2d.  |

No packet may exceed 8 oz. in weight. The maximum dimensions are 12 inches by 8 inches by 4 inches.

A packet posted wholly unpaid will on delivery be chargeable with double postage; and if insufficiently paid will be chargeable with double the deficient postage.

Patterns and Samples must be sent in wrappers (marked "Pattern Post" or "Sample Post") entirely open at the ends, or in unfastened envelopes, and must be so packed that they may be easily withdrawn for examination; but samples of seeds, flour, drugs, and such-like articles, which cannot be sent in open wrappers, may be enclosed in boxes (in such a way as to admit of easy examination) or in bags of linen or other like material, tied at the neck. Closed bags, even if transparent, will not be allowed. In cases of non-compliance with this rule the packet will be charged with double the deficient postage at the letter rate.

The name, address, and trade of the trader by whom the Patterns or Samples are sent out must be in all cases *printed* (not written) or stamped on the outside of the wrapper. Otherwise the packet will be liable to be charged on delivery.

A packet which contains any writing which would not be admissible by Book Post will be charged at the letter-rate.

No glass bottle, or glass in any form, may be sent; no explosive, liquid, semi-liquid, or greasy matter, nor powders of any kind which may stain or do other damage; nor any living creature.

Patterns of scissors, knives, razors, and other sharp articles, must be so packed and guarded as to completely prevent injury to the other contents of the Mail Bags, or to the officers employed, but the packets must at the same time admit of easy examination. When these requirements are not complied with, the packet will be stopped.

The Pattern Post is absolutely restricted to *bond fide trade Patterns and Samples of Merchandise*, with or without any document which is admissible by book-post. Packets not containing *bond fide* Patterns, and posted prepaid at the Pattern-rate only, will be charged with double the deficient postage, at the letter rate, together with a fine of 6d.

#### POST CARDS INLAND, OFFICIAL, AND PRIVATE.

Official Post Cards impressed with a halfpenny stamp, and official Reply Post Cards impressed with a halfpenny stamp on each portion of them, can be bought at every Post Office.

The address, and the sender's name and address, and a request for return in case of non-delivery, but nothing else, may be written, printed, or otherwise impressed on the front (or stamped) side. Nothing whatever may be attached, except adhesive stamps in payment of additional postage or stamp duty, and a gummed label (not to exceed 2 inches long and  $\frac{3}{4}$  inch wide) bearing the address at which the card is to be delivered; nor may the card be folded, cut, or otherwise altered. If any of these rules be infringed, the card ceases to be a Post Card, and is treated as a letter liable on delivery to the usual charges.

A Private Card becomes a Post Card when it has a halfpenny stamp affixed to its face. It must be composed of ordinary cardboard, not thicker than the material used for the Official Post Card. The maximum size must correspond as nearly as may be to the size of the Inland Official Card, and the minimum size must not be less than  $3\frac{1}{2}$  by  $2\frac{1}{4}$  inches. The rules stated in the preceding paragraph also apply to Private Cards, with one exception, viz., that which relates to cutting and altering. The essential feature of the Private Post Card is that it must be prepaid. A Private Card without a postage stamp is not a Post Card but a letter. For instance, an unpaid Private Card weighing less than 1oz., would be charged 2d.

 PARCEL POST—(Inland).

|                                       |   |   |   |   |      |
|---------------------------------------|---|---|---|---|------|
| Not exceeding 1 lb. in weight         | - | - | - | - | 3d.  |
| For each additional lb. up to 11 lbs. | - | - | - | - | 1½d. |

No parcel can be sent exceeding 11 lbs in weight.

The following are the principal conditions and regulations :—

The size allowed for an Inland Postal Parcel is—

|                                    |   |   |   |             |
|------------------------------------|---|---|---|-------------|
| Greatest length                    | - | - | - | 3 ft. 6 in. |
| Greatest length and girth combined | - | - | - | 6 ft. 0 in. |

In order that a packet may go by Parcel Post, it must be tendered for transmission as a parcel, and should bear the words "Parcel Post,"—which should be clearly written in the left-hand top corner.

Parcels must not be posted in a letter box, but must be taken into a Post Office and handed over the counter, and a parcel should not be left until the

weight, size, and postage have been tested by the clerk at the counter. Care must be taken that every parcel bears a clear address.

If a packet bearing the words "Parcel Post," or otherwise clearly marked as intended for transmission as a parcel, is not posted in accordance with this regulation, it is treated as a letter or book packet, if it is fully prepaid at the rate proper to either, and is otherwise in accordance with the letter or book post regulations. If such a packet is not fully prepaid at the letter or book post rate, it will be treated as a parcel, and will be charged on delivery with a fine of 1d., together with the deficient postage, if any, at the parcel post rate.

Parcels which bear on the outside any writing or drawing of an indecent or offensive nature, or within which any contents of a like nature may be observed, and parcels containing gunpowder, cartridges, lucifer matches or anything explosive or liable to sudden combustion, bladders containing liquid, live animals, grossly offensive or filthy matter, and anything in a condition likely to injure other parcels, or any officer of the Post Office, are prohibited.

If any such parcel be tendered for posting, it is refused, or, if detected in transit, it is detained.

Parcels containing fish, game, meat, eggs, &c., or knives, or other sharp instruments, can only be sent if so packed as to prevent all risk of injury to other parcels. Liquids or semi-liquids are not accepted unless in bottles or cans securely stoppered; nor powders, unless so packed that they cannot escape in transmission. Bottles or glass in any form can be accepted only when so packed as to be secure from breakage. If a parcel be tendered in a damaged or insecure condition it will be refused. If a parcel in such condition is observed in transit it is, if possible, made secure and sent forward; but, if it cannot be so secured, it is detained.

Parcels known to contain a letter, packet, or parcel intended for delivery at an address other than that borne on the parcel itself are prohibited.

Parcels addressed to a Post Office to be called for, or to a person residing beyond the free postal delivery, are kept three weeks. At the end of one week, if the parcel bears on the outside the sender's name and address, a notice of the fact that the parcel has not been delivered is sent to him.

Parcels addressed to a ship are kept one month.

If, however, such a parcel contains perishable matter it is kept only 48 hours; and should it become offensive, it may be disposed of at any time as the Postmaster-General may direct.

Parcels addressed to a Post Office "to be called for," and only such parcels, are liable to a demurrage charge at the rate of 1d. a day after they have remained in the Office one clear day, counting as a day the period during which the Office is ordinarily open to the public.

No demurrage is charged on parcels addressed to persons residing outside the limits of the free delivery, or to persons on board ship.

In order to facilitate the return of parcels which cannot be delivered, it is most desirable that the name and address of the sender should appear on the outside of every parcel.

#### INLAND REGISTRATION AND COMPENSATION.

The Postmaster General will (not in consequence of any legal liability, but voluntarily, and as an act of grace) subject to the rules as to posting and packing, give compensation up to a maximum limit of 50*l* for the loss and damage of Inland Registered Postal Packets of all kinds upon prepayment of a fee in addition to the postage. This fee either consists of or includes in each case the ordinary registration fee of 2*d*.; and the scale of fees, and the respective limits of compensation are as follow:—

### Post-Office Telegraphs.

#### TARIFF (INLAND).

The charge for Telegrams throughout the United Kingdom is 6d. for the first 12 words, and  $\frac{1}{2}$ d. for each additional word. Addresses are charged for.

Telegrams may be repeated at the request of the sender, if he desires to adopt this extra security against risk of error, by being signalled back from each office at which they are received to the office from which they are forwarded. The charge for repetition is one half the ordinary tariff; a fraction of a halfpenny being reckoned as a halfpenny.

The cost of a reply not exceeding forty-eight words may be prepaid.

Copies of a Telegram, directed to more than one firm or person in the same free delivery will be delivered separately at an additional charge of twopence per copy. Each London Postal District is regarded for this purpose as forming a separate Delivery.

Figures are counted at the rate of five figures to a word. Fractions are counted according to the number of figures employed, one figure being counted for the mark of division, thus— $\frac{1}{2}$  counts as one word, and 109  $\frac{3}{4}$  as two.

#### PORTERAGE.

The sums charged for the transmission of Telegrams cover the costs of delivery by special Foot Messenger within the limits of one mile of the Terminal Telegraph Office, or within the limits of the Town Postal Delivery of that Office, when it is a Head Office, and the Town Postal Delivery extends for more than a mile from it.

When the addressee does not reside within the above described limits, and the sender desires to have his telegram delivered by special Foot Messenger, the charge will be sixpence per double mile or any part thereof. A sum of one shilling per double mile will be charged for the delivery of Telegrams by Cab, Fly, or Horse express.

When the addressee does not reside within the above described limits, and sender does not wish to incur the cost of special delivery, his Telegram, may be delivered free of extra charge by the ordinary postal delivery next following on the arrival of his Telegram at the Terminal Telegraph Office.

#### REGISTERED ADDRESSES.

Any person may register an abbreviated or arbitrary address on payment of a fee of £1 1s. a year, dating from the day of registration. The address must consist of not less than two words, one of which is to be the town or place of delivery.

THE SCOTTISH TEMPERANCE LIFE (AND ACCIDENT) ASSURANCE COMPANY, LIMITED.

Head Office, 81 RENFIELD STREET, GLASGOW,

THIS is the only Scottish Company that in any practical way secures to Abstainers the full benefit of their superior health and life.

All Policies on the lives of Total Abstainers are kept apart from the general business of the Company, the whole extra profit being thus preserved for the benefit of the Abstainers.

An abatement of 10 per cent. on the Premiums on all ordinary whole life Policies is granted from the commencement of the assurance.

The cost of Policy for £1000 (with profits) elsewhere would in most cases secure an immediate assurance of from £1200 to £1400 in this Company, with right to further profits.

PROGRESS DURING 1895.

The New Business, Income, and Addition to Funds were all *greater than in any former year*; while the ratio of Expenses to Premium Income was *lower than in any former year*.

*Absolute Security combined with Moderate Rates of Premiums.*

# Scottish Provident Institution.

ESTABLISHED 1837.

Head Office: 6 ST. ANDREW SQUARE, EDINBURGH.

## MUTUAL ASSURANCE with MODERATE PREMIUMS.

THE PREMIUMS are so moderate that at usual ages of Assurance £1200 or £1250 may be secured from the first for the yearly payment which would generally elsewhere be charged (with profits) for £1000 only—the difference being equivalent to

**An immediate and certain Bonus of 20 to 25 per cent.**

THE WHOLE SURPLUS goes to the Policy-holders and is reserved exclusively for those Members (more than half of those who enter) who survive the period at which their Premiums, with compound interest at 4 per cent., amount to the original assurances.

THE SURPLUS at last Septennial Valuation (1894) amounted to £1,423,018, or after deducting amount already paid as Intermediate Bonuses, £1,362,186—of which £970,391 was divided among 13,220 Policies entitled to participate, and £391,796 was reserved for future accumulation and division.

*More than ONE HALF of the Members who died during the last Septennial period were entitled to BONUSES which, NOTWITHSTANDING THAT THE PREMIUMS DO NOT AS A RULE EXCEED THE NON-PROFIT RATES OF OTHER OFFICES, were on the average equal to AN ADDITION OF ABOUT 50 PER CENT. to the policies which participated.*

## Examples of Premium for £100 at Death--With Profits.

| Age.           | 25.     | 30.*    | 35.     | 40.†    | 45      | 50.     |

| 21 Payments .  | £2 12 6 | £2 15 4 | £3 0 2  | £3 7 5  | £3 17 6 | £4 12 1 |

\*A person of 30 may secure £1000 at death by a yearly payment, *during life*, of £20 15s., which would generally elsewhere secure (with profits) £800 only; or he may secure £1000 by 21 payments of £27 13s. 4d.

†At age 40, the Premium *ceasing at 60*, is, for £1000, £33 14s. 2d., being about the same as most offices require during life.

TO PROFESSIONAL MEN and others whose income is dependent on health, the *limited payment system* is specially recommended.

## ACCUMULATED FUNDS EXCEED £9,350,000 STERLING.

Arrangements as to Surrenders, Non-forfeiture, Loans on Policies, Immediate Payment of Claims, etc., are specially liberal. Policies, as a rule, are World-wide after five years—provided the Assured has attained 30.
